Organization Experiences

Google Developer Student Club Bumigora University - West Nusa Tenggara, Indonesia   Oct, 2022 - Juli, 2023
Member

- Actively participate in events that focus on increasing knowledge about technology development and expanding relationships. Although only present during events, this experience provides valuable insights into the latest developments in the world of technology, as well as the opportunity to interact with other practitioners and students who share the same interests.

Education Level

Bumigora University - West Nusa Tenggara, Indonesia   2019 - 2023
Bachelor Degree of Computer Science, 3.76/4.00.

- Thesis: Prediction Student Dropout using Random Forest Algorithm.
- Relevant Course Works: Python(Django),Machine Learning, Database, Web Development, System, HTML & Css, and javaScript

Courses, Training and Certifications

Harisenin Bootcamp - Jakarta, Indonesia   Sep,2022- Jan, 2024
Bootcamp Fullstack Developer

- Studying Agile SDLC, GIT, HTML, CSS, JavaScript
- Studying Frontend Technology React.JS
- Studying Backend Technology Node.JS
- Studying Database MySQL

- Relevant Course works: HTML & CSS, Tailwind, React.JS, Node.JS, MySQL.

Dicoding - Bandung, Indonesia   Sep,2021- Nov, 2022
Course Learning Path Frontend Web Developer
- Studied Fundamental Frontend
- Relevant Course works: HTML, CSS, JavaScript and React.js
- Certificate: https://www.dicoding.com/users/harymahayana/academies

Camp 404 - Jakarta, Indonesia   Des,2021 - Mar, 2022
Course Laravel Web Programming
- Studied Laravel 8 Web Programming
- Relevant Course works: Restful Api, Laravel 8
- Certificate: https://camp404.com/public/cert/CCPR221B10064WZFFVR

Solo Learn - Armenia, America   Des, 2022 - Des,2022
Course Python Intermediate
- Studied Python with levels Intermediate
- Relevant Course works: Python
- Certificate: https://www.sololearn.com/certificates/CC-HJSMFNE2

Sanbercode - Bandung, Indonesia   Oct, 2022 - Des,2022
Course Python Data Science
- Studied Python Data Science
- Relevant Course works: Python, Data Science, Algorithm
- Certificate: https://sanbercode.com/certificate/em/ce17ff1f-f26c-42f1-98e5-d5e23e22b5ed

Skills and Other Experience

Hard skills: HTML, CSS, Bootstrap, JavaScript, Laravel 8, MySQL, and Data Science.
Soft skills: Problem Solving, Time Management, Orientation to Detail, Creative, Analytical Thinking, and Teamwork.
Languages: English (Intermediate), Indonesia (Native).
